

Become a Great Teacher: Build firm foundations for your future Career.

Train with the Bristol Early Years Teaching Consortium.

Are you interested in training to become an Early Years/KS1 Teacher?

If so, why not book on to one of our School Direct experience days. This is a great opportunity for you to find out more about the School Direct Programme as well as the chance to experience time within an Outstanding Nursery School.

Throughout the day you will:

- Find out more about the School Direct programmes
- Find out more about the application/selection process
- Meet with current School Direct Students
- Spend time within the Setting/environment
- Have the opportunity to interact/engage with our children

A light lunch and refreshments will be provided throughout the day

Our high quality training programmes will give you the opportunity to combine your training with actually doing the job!
